Vegetarian Recipes to Cater for your Vego Friends

Are you vegetarian or perhaps you have some vego friends coming for dinner? Either way, we have a great selection of vegetarian recipes that are wholesome, nutritious and taste amazing.

Check out our guide on the best vegetarian recipes to try this Spring (that aren't just side salads and soups).

First things first, what is a vegetarian diet?

A vegetarian diet involves abstaining from eating meat, fish and poultry, accounting for [12% of the Australian population](#). But what you might not know is that there are several different types of vegetarian diets that differ in their restrictions.

This includes:

Lacto-vegetarian diet: Eliminates meat, fish and poultry products but allows dairy products

Ovo-vegetarian diet: Eliminates meat, fish and poultry but allows eggs

Pescatarian diet: Eliminates meat and poultry but allows fish, eggs and dairy products

Vegan diet: Eliminates meat, fish, poultry, eggs and dairy products, as well as other animal-derived products, such as honey.

Flexitarian diet: A mostly vegetarian diet that incorporates occasional meat, fish or poultry.

How to cater for vegetarians

When it comes to catering for different diets, it's important to ask exactly what a person does and does not eat (particularly when it comes to eggs and dairy). Then, do some research, looking at interesting recipes that you can serve for your entrée, main and side.

Short on time? We've looked through our archives and created a list for you to pick and choose from depending on their dietary needs:
