

Think rice is bland? You're wrong and here's how we can prove it.

Recipes you can make with rice

Rice has received a bit of a bad reputation in some circles. Gluggy, sticky and generally bland. But we know that it's not rice that's in the wrong, it's our method of cooking it. These rice recipes show that this ingredient is one of the world's most popular ingredients for a reason.

Read on for flavoursome rice recipes and a NEFF hack for perfecting fluffy rice in your steam oven.

How to make coconut rice in your steam oven

Jasmine rice works best with coconut rice recipes, pairing perfectly with Thai favourites like green and red curries. By combining rice, water, shredded coconut, palm sugar and salt in a small stainless steel tray, you can steam your rice to fluffy perfection in your NEFF FullSteam.
