Sushi Rolls

Nourishing, tasty and supremely portable, sushi is the ultimate lunchbox food. Simply cook sushi rice on [FullSteam](#) for 20 minutes, mix with sushi seasoning and get wrapping. Tailor your fillings to what's leftover in the fridge (we love mayo-tuna and smoked salmon with avocado). Getting the kids involved in the sushi-making process makes for a fun and educational experience.

Rice Paper Rolls

Bursting with freshness and flavour, rice paper rolls are the perfect kid friendly lunch on a sweltering summer's day. Our version combines moist hoisin-coated chicken with aromatic fresh herbs and a tangy peanut dipping sauce for a refreshing take on this crowd-pleasing favourite. Don't forget to pack some wet wipes for sticky fingers.
