Blueberry and coconut muffins

A classic blueberry muffin will satisfy guests, both young and old. They are full of juicy blueberries and topped with a coconut crumb which will make them look and smell extra special at the dining table. But what we love most

about these muffins is how soft and moist they taste, which is the result of VarioSteam. With the VarioSteam function, steam is injected into the food at regular intervals to ensure it doesn't dry out. Just bake the muffins for 20 minutes or until golden.
