Our favourite strawberry recipes

Packed with juicy goodness, strawberries are synonymous with spring. And whether they're baked in something or enjoyed on their own, strawberries are a taste loved by everyone. These are our favourite strawberry recipes from right here in The NEFF Kitchen.

1. Strawberry Crumble

If you're after a desert that's sure to be a crowd favourite, then look no further than this strawberry crumble. With its crumbly top and layers of real strawberries, this dish tastes best on a balmy evening (making it the perfect spring treat). Add cream or ice cream and thank us later.

2. Strawberry Jam

Whether you're putting it on scones, spreading it on toast or just trying to impress Nan, the versatility (and taste) of our strawberry jam is something

you'll fall in love with. And with no pectin or jam sugar, and just three ingredients, it's surprisingly easy to make! This recipe will fill 3-4 medium-sized jars and can be made using the NEFF induction cooktop or the FlameSelect setting. Remember – always sterilise your jars before pouring the jam mixture in.

3. Victoria Sponge with Strawberry Jam

Speaking of our jam – it's the perfect addition to our Victoria sponge recipe. You can whip up these light and fluffy sponge cake bases in no time with the NEFF CircoTherm® setting, which lets you bake with commercial grade precision. And by using our delicious strawberry jam mix, you're guaranteed to have your guests asking for the recipe. For extra sweetness, dust with icing sugar.

4. Glazed Strawberry and Blueberry Flan

Need a new desert to impress at your next soirée? This glazed strawberry and blueberry flan is it. Divinely decorated with strawberries and blueberries, this treat not only looks good, but tastes great too. It takes a little time to prepare (allow about an hour) – but is ready to enjoy after just 20 minutes of baking using the CircoTherm® Intensive function on your NEFF oven. It's worth the wait, we promise.

5. Strawberry Daiquiris

One of our favourite things about spring is a fruity cocktail on a warm afternoon – and this daiquiris recipe sure packs some strawberry punch. With hints of lime and mint, this refreshing cocktail or mocktail is a perfect addition to your next brunch. For best results, serve in a fun cocktail glass and enjoy with friends.
