Ingredients

Mushrooms

15 g dried porcini mushrooms
1 cup (250 ml) boiling water
100 g unsalted butter
800 g mixed fresh mushrooms, finely sliced
¼ cup chopped fresh parsley
Sea salt and freshly ground black pepper to season

Béchamel

50 g unsalted butter
1/3 cup (50 g) plain flour
2 cups (500 ml) milk

Filling

375 g ricotta
250 g feta, crumbled
250 g scamorza, grated
250 g fresh lasagne sheets (or dried)
50 g ricotta

Method

Preheat oven to 180°C CircoTherm®, high steam.

Place porcini in small heatproof bowl and pour over boiling water. Soak for 5 minutes, then drain and set aside.

Melt butter in a large heavy based saucepan over medium high heat. Add mushrooms and porcini. Cook for 15 minutes, stirring constantly, until the mushrooms have softened and released their juices. Remove from heat, add parsley and season with salt and pepper. Set aside.

Meanwhile, make the béchamel. Melt butter in a medium saucepan over medium to high heat, add the flour and stir to make a smooth paste. Slowly add the milk and keep stirring until the sauce is smooth and thickened. This will take about 10 minutes. Remove from heat and set aside.

To assemble the lasagna, lightly butter a large rectangular ovenproof dish, approximately 23cm x 30cm. Spread some of the béchamel sauce over the base of the dish. Cover with lasagne sheets.

Scatter over a quarter of the ricotta and feta. Spoon over a quarter of the mushrooms. Add a quarter of the remaining béchamel sauce. Scatter over scamorza. Place a layer of lasagne on top and repeat the layers three more times. Finish by grating over the ricotta.

Bake in oven for 30-40 minutes, until golden.

Remove from oven and rest for 10 minutes before serving.
