Method

To begin making your fritters, combine the beetroot, [sweet potato](#), shallots, parsley and walnuts in a large bowl. Add the flour, eggs & season well with salt and pepper. Mix well to combine.

Heat a [non-stick frying pan](#) over a medium to high heat, [Induction level 6](#). Add a little olive oil and tilt the pan to distribute. Spoon approximately ¼ cup amounts of vegetable mix for each fritter into the pan. Allow some room between each fritter.

Flatten slightly and cook for 3 to 4 minutes on each side until golden. Repeat to use all the mix.
