

# Flourless Almond Cake with White Chocolate Ganache

DIFFICULTY: EASY

PREPARATION TIME: 10  
MINUTES

COOKING TIME: 40 MINUTES

SERVES: 8

## Ingredients

200 g unsalted butter, softened  
220 g caster sugar  
80 g desiccated coconut  
1 tsp vanilla essence  
½ tsp almond essence  
Pinch of salt  
4 eggs  
160 g almond meal

### White chocolate ganache

200g white chocolate, roughly chopped  
½ cup cream

### Decoration

Almond flakes

This cake will keep well for 3 days in an airtight container. The cake can be made a day in advance and topped with ganache on the day of serving.

## Method

Preheat oven on CircoTherm® to 160°C. Place wire rack on shelf position 2. Grease a 20cm round removable based cake tin and line base with baking paper.

Place the butter, sugar, coconut, vanilla, almond essence and salt in the bowl of an electric mixer and beat until creamy. Add the eggs, one at a time and mix until well combined. Fold in the almond meal.

Place mixture into the prepared cake tin and bake the cake for 40-45 minutes or until cake is cooked when tested with a skewer. Allow cake to cool in cake tin.

While cake is cooling, make the ganache. Combine chopped chocolate and cream in a heavy saucepan. Gently heat over low heat until chocolate starts to melt. Remove from heat and continue to stir until the remaining chocolate has melted. Transfer ganache to a bowl and refrigerate until ganache thickens, about 30 minutes. Stir ganache well before decorating the cake.

Ganache can be poured onto cake while it is a little runny or it can be spread onto the cake with a palette knife when it is thick. Decorate with Almond flakes as desired.
